What is the Cat Cracker Seminar?

The AFPM Cat Cracker Seminar is a biannual meeting which focuses on the operations and reliability challenges that are specific to FCC process units. Although it began as a maintenance meeting, the Seminar has evolved into a comprehensive program that covers FCCU reliability, regulations, equipment technology, refractory, and process technology. The program utilizes discussion-driven workshops and a Q&A forum to share insights into smarter, safer and more reliable FCCU operations.

The Seminar includes a tabletop exhibition for equipment and service providers that specialize in the needs of FCCU's. Exhibitors are given 4.5 hours in the 1 1/2 day program to meet with attendees.

The 2012 Seminar had 147 decision makers from 37 domestic and international refining companies. A total of 74 refineries were represented at the meeting.

You can count on The Cat Cracker Seminar to deliver a well focused FCCU audience at a reasonable cost.

Who is AFPM?

American Fuel & Petrochemical Manufacturers is the new name of the National Petrochemical & Refiners Association, an organization with a proud 112-year history of serving America. AFPM is the new NPRA. We adopted our new name in January 2012 to better describe who we are and what we do.

AFPM is a trade association representing high-tech American manufacturers of virtually the entire U.S. supply of gasoline, diesel, jet fuel, other fuels and home heating oil, as well as the petrochemicals used as building blocks for thousands of vital products in daily life.

AFPM represents 89 regular member companies, encompassing nearly all of the petroleum refiners and petrochemical manufacturers in the United States. Membership also consists of international refining and manufacturing entities, as well as domestic and foreign companies which have special interests in petroleum refining

and petrochemical manufacturing, while not operating the refineries or facilities themselves.

Tabletop Rules & Regulations Part I

These rules and regulations, and all text in this Exhibitor Application, are to be construed as part of all tabletop contracts. AFPM reserves the right to interpret them as well as make final decisions on all points which the rules and regulations do not cover.

Space Assignments

Prior to and including June 27, 2014, priority for assigning space will be determined by AFPM membership and number of previous years of participation in the tabletops. After June 27, 2014, space will be assigned on a first-come, space available basis.

AFPM reserves the right to change space assignment if, in AFPM's judgement, it becomes necessary to do so.

Payments and Cancellations

In applying for space, the exhibitor must pay the full cost of the space with the application. A full refund will be made if space is not available. Refunds for cancellations will be made only if the space can be resold, according to the following schedule: By July 11, 2014 - full refund; by July 18 - 90% of space rental fee; by July 25 - 75%; by August 1 - 50%; after August 1 - 0% of space rental fee. Cancellations must be made in writing and forwarded to Katharine Nesslage at fax number: (202) 835-0467 or email: knesslage@afpm.org.

Space and Equipment

The space will include 1, 8'x30" skirted table and 1, 7"x44" table sign with tabletop number. All other display materials will be provided by participant at his/her own expense.

Default of Occupancy

- If by 11:00 am on Tuesday, August 19, 2014, an exhibitor fails to register and occupy any space contracted for but not canceled in writing to AFPM, AFPM shall have the right to use said space to suit its own convenience, including selling the space to another exhibitor, without any rebate or allowance to the defaulting exhibitor.
- If the display material has been delivered to the table but has not been assembled, AFPM reserves the right to remove the material and place it in storage.
- AFPM assumes no responsibility for having included the name of the defaulting exhibitor or descriptions of that exhibitor's products in the show brochures, news releases, or other materials.

Rules and Regulations

Exhibitors will abide by all other provisions of said rules and regulations and with fire regulations and all other regulations of governmental agencies and the Royal Sonesta Houston.

Objectionable Material and Activities

AFPM reserves the right to require modification of any tabletop it deems questionable for any reason. Raffles, drawings, fishbowls, contests or similar activities are not permitted (see tabletop conduct and activities on next page).

Handling and Storage

- Shipment should be minimal due to simple nature of display.
- The exhibitor will make his/her own arrangements for delivery and receipt of shipment and storage of crates before move-in time. The arrangements may be made, if desired, through the official drayer, The Freeman Companies.
- To facilitate the handling of crates and other freight upon arrival at the Royal Sonesta Houston, the participant will provide copies of bill of lading to official drayer, but this will not place the participant under obligation to said official drayer for services unless participant so desires. The hotel does not accept advance freight shipments.

Liabilities and Insurance

- The exhibitor, by entering into this contract, hereby waives any claim against and shall indemnify, save and hold harmless AFPM, the Royal Sonesta Houston, its agents and employees for any damages or injuries to property or persons occasioned by or in connection with the conference unless caused by the willful misconduct of AFPM, the Royal Sonesta Houston, its agents or employees.
- Exhibitor agrees to maintain such insurance that will fully protect AFPM and the Royal Sonesta Houston from any claims of any nature, including claims under the Workmen's Compensation Act, and for damages for personal injury, including death, which may arise in connection with the presence and/or operation of participant's display. In the event the exhibitor damages the building, or any part thereof, he agrees to reimburse the owner of the building for the cost of repairing such damages to said building, or any part thereof, directly or indirectly.
- AFPM will not be liable for failure to hold the seminar as scheduled. Payments for tabletop space will be returned in that event, less the exhibitor's pro-rata share of all costs and expenses incurred and committed by the AFPM.
- The exhibitor hereby consents to the jurisdiction of the courts of the District of Columbia with respect to any right of action arising under this contract.

Admission

- AFPM will have sole control over admission of all persons. All persons visiting the tabletops will be admitted according to the rules and regulations of the conference as issued or amended by the authorized representative of AFPM.
- All persons visiting the tabletops must be registered and wear an official AFPM badge at all times.
- No one under the age of 18 years of age will be allowed in the tabletop area at any time.

•Exhibitors will not be permitted to behave in a manner that is, in the sole discretion of AFPM, objectionable. Any questions of propriety should be cleared in writing with AFPM.

Ethical Responsibility and Professional and Personal Conduct Code

The American Fuel & Petrochemical Manufacturers ("AFPM") has adopted the following "Ethical Responsibility and Professional and Personal Conduct Code" (hereinafter, "the Code"). Every member of AFPM, their designated representatives, and non-member attendees at all AFPM meetings and forums agree to abide by the Code as a condition of membership in AFPM and attendance and participation at AFPM meetings and forums.

•Sharing of knowledge and expertise as speakers at AFPM educational events and sessions whenever practicable, without soliciting or explicitly promoting their own organization's products or services.

•Refraining from scheduling general attendance meetings, receptions or other events at times that conflict with substantive programming or social events at AFPM meetings without express written permission of AFPM.

Failure to abide by the Code may result, for the first offense, in informal censure of a company or individual by the AFPM Executive Committee. If violations of the Code continue after such an informal censure, a company may be subject to expulsion from AFPM, or an individual to exclusion from participation in AFPM activities, by the Board of Directors.
