

National Petrochemical & Refiners

Association invites you to the 17th Annual National Safety Conference, one of the most popular conferences on safety in the hydrocarbon processing industry.

6 reasons you should exhibit at NSC07

- **You'll meet prospects from around the world.** Over 300 registrants have represented 163 refineries and petrochemical plants in 37 states and 22 foreign countries.
- **You'll be joining the leaders of the industry.** See the list of companies who have participated in the past on the next page.
- **You'll benefit from excellent booth traffic.** The NPRA provides food and beverage service for two lunches and a reception in the Exhibit Hall.
- The **Vendor Passport Program** is also a popular draw (see details on page 2).
- **You'll benefit from excellent customer to supplier ratio.** In the past this ratio has been 3:1 or better.
- **You'll benefit from quality leads.** Industry safety professionals are drawn to the NSC because of the outstanding educational sessions; Safety Awards Banquet and the opportunity to visit with you on the trade show floor.
- You may also download this application at our website: www.npra.org

Vendor Passport Program

Once again, this year's exhibition will feature the Vendor Passport Program to promote booth traffic. Each registrant receives a "passport" at registration which they use to get stamps from representatives from participating exhibit booths, usually about 75 percent of the booths.

The completed passports are turned in to the registration desk which enables registrants to participate in a drawing of giveaways provided by the exhibitors.

The giveaways must be a business-related item such as a fire extinguisher if you are an equipment manufacturer, logo items, etc. No extravagant giveaways such as TVs, computers, or golf clubs are permitted.

More information will be sent with the Exhibitor Manual (mailed after booths are assigned).

Housing

A block of discounted sleeping rooms will be available at the The Woodlands Waterway Marriott Hotel, The Woodlands, TX. You may register for the meeting and reserve your hotel room on-line at www.npra.org, or fax your registration/housing form to 202-835-0467.

Deadline and Refunds

The deadline to receive priority consideration for the exhibition is **January 10, 2007**. Refunds for booth cancellations will be made only if the space can be resold according to the following schedule:

Before March 1, 2007:	90%
March 2-March 13, 2007:	75%
March 14-March 23, 2007:	50%
March 24-April 6, 2007:	25%
After April 7, 2007:	0%

Booth Sizes and Prices

40, 10' x 10' booths will be available this year. Booths are sold in 100 square feet increments. Visit the NPRA website at www.npra.org to find out if your company is a member.

Members \$8.00/sq. ft.
Non-Members \$11.00/sq. ft.

Booth Price includes:

- Complimentary registration for 1 representative per 100 sq. ft. booth, which includes the vendor exhibition and meals, general sessions, and workshops.
- Back wall of blue drape (8' high) and side rails of white drape (3' high)
- 7"x44" company identification sign
- General cleaning of aisles and exhibit floor (excluding individual booths)
- Aisle carpet throughout exhibit hall
- General illumination
- Complimentary coffee and water service during set-up
- Lunch and reception food and beverage prior to each open time

Booth Location

Priority booth assignments will be made to NPRA members and previous exhibitors until January 10, 2007. After that, space will be assigned on a first-come, first-served basis. Every attempt will be made to assign you the space of your choice. Where prior commitments conflict with your choices, NPRA will assign you the next available space nearest your original selection. Space is limited! Make your reservations now!

Please note: All booths are in one room as shown on the floor plan. Coffee breaks, lunches and the evening reception will be held in the exhibit hall.

4 steps to make it easy to exhibit at NSC07:

1. Complete the enclosed Application for Exhibit Space. Choose 4 booth numbers from the Exhibit Hall Floorplan and write them on the contract.
2. Enclose your payment.
A check or credit card number for the full amount of your booth is required with your application.
3. Send application, floor plan and payment to:
NSC07 Exhibits, c/o Lynne Schoenbeck
NPRA
1899 L Street, NW, Suite 1000
Washington, DC 20036
Or fax to (202) 835-0467 for credit card payments.

Look for your booth assignment in an e-mail. Be sure you are part of the first space assignments! The deadline for space assignments is January 10, 2007. Assignments will be sent out early-February 2007.

4. Watch for your Exhibitor Service Manual. In February 2007 you will be emailed complete instructions for ordering furniture, carpeting, electrical service, cleaning service, set-up/dismantling, freight handling services, and other important information.

Your booth includes all this!

Your choice of 40 booths. Use the Exhibit Hall Floorplan on page 4 to select your booth. Standard booths are 10' x 10' and are sold in 100 square feet increments. Your booth price includes a draped 8' high back wall and 3' high side panels, and a company identification sign.

FREE registration including food and beverage service for 1 individual on your team.

FREE listing in the On-Site Program which tells attendees what they'll find at your booth.

FREE pre- and post-show list of registered attendees makes it easy for you to invite prospects to stop by your booth. The pre-show list will be emailed to the Contract Representative about 2 weeks before the show. The post-show list, will be available about 3 weeks after.

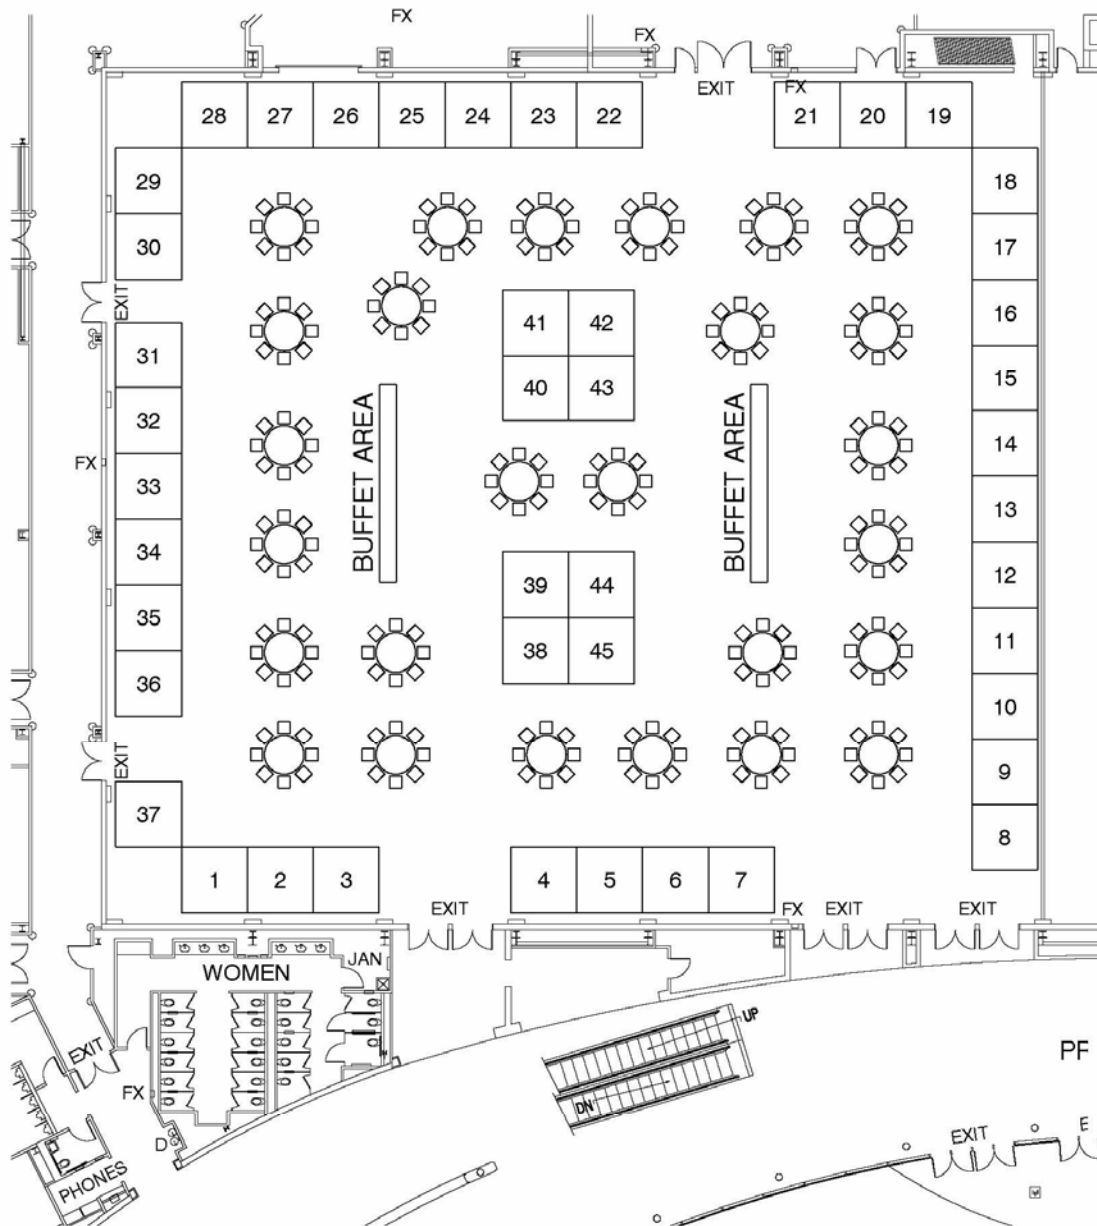

24-hour security that begins with set-up and continues until all freight has been moved out.

Sponsorship Opportunities

Sponsorships provide valuable marketing benefits including publicity in the advance and final programs, special recognition during the conference, and other high visibility exposure to attending safety professionals and others. Sponsorship opportunities include two early bird coffee services, two morning coffee breaks, an afternoon coffee break and the Conference Presentation Booklet. Please contact Lynne Schoenbeck at LSchoenbeck@npra.org or (202) 457-0480 for more details.

WOODLANDS WATERWAY MARRIOTT
EXHIBIT HALL - MAIN LEVEL

Exhibit Rules and Regulations

These rules and regulations, and all text in this Exhibitor Application, are to be construed as part of all exhibit contracts. NPRA reserves the right to interpret them as well as make final decisions on all points which the rules and regulations do not cover.

Space Assignments

Prior to and including January 10, 2007, priority for assigning space will be determined by NPRA membership and number of previous years of participation in the Exhibition. First time participant priority is based on a company's status on the prior year's wait list, and date/time contract is received. After January 10, 2007, space will be assigned on a first-come, space available basis.

NPRA reserves the right to change space assignment if, in NPRA's judgment, it becomes necessary to do so.

Payments and Cancellations

In applying for space, the exhibitor must pay the full cost of the space with the application. A full refund will be made if space is not available.

Refunds for cancellations will be made only if the space can be resold, according to the following schedule: By March 1, 2007 - 90% of space rental fee; March 2-13 - 75%; March 14-23 - 50%; March 24-April 6 - 25%; After April 7 - 0% of space rental fee. Cancellations must be made in writing and forwarded to Lynne Schoenbeck at fax number: (202)835-0467 or email: LSchoenbeck@nptra.org

Space and Equipment

The booth space will include draped back walls and side rails and one 7" by 44" sign containing the exhibiting company name and booth number.

All other furnishings, equipment, facilities, etc., will be provided by participant at his/her own expense. At the participant's discretion, these may be obtained through the official supplier, The Freeman Companies.

Default of Occupancy

If by 10:00 a.m. on Wednesday, May 2, 2007, an exhibitor fails to register and occupy any space contracted for but not canceled in writing to NPRA, NPRA shall have the right to use said space to suit its own convenience, including selling the space to another exhibitor, without any rebate or allowance to the defaulting exhibitor.

If the exhibit material has been delivered to the booth but has not been assembled, NPRA reserves the right to remove the material and place it in storage.

NPRA assumes no responsibility for having included the name of the defaulting exhibitor or descriptions of that exhibitor's products in the show catalog, brochures, news releases, or other materials.

Use of Booths

All demonstrations and exhibits must be confined to the exhibit booths. Booth personnel must be limited to employees of the exhibitor or its affiliates. Exhibitors are not permitted to use celebrities, models, caricaturists or entertainers.

Handling and Storage

The exhibitor will make his/her own arrangements for delivery and receipt of shipments and storage of crates before move-in time. The arrangements may be made, if desired, through the official drayer, The Freeman Companies.

To facilitate the handling of crates and other freight upon arrival at the The Woodlands Waterway Marriott Hotel, the participant will provide copies of bill of lading to official drayer, but this will not place the participant under obligation to said official drayer for services unless participant so desires. The hotel does not accept advance freight shipments.

Liabilities and Insurance

The exhibitor, by entering into this contract, hereby waives any claim against and shall indemnify, save and hold harmless NPRA, The Woodlands Waterway Marriott Hotel, its agents and employees for any damages or injuries to property or persons occasioned by or in connection with the conference unless caused by the willful misconduct of NPRA, The Woodlands Waterway Marriott Hotel, its agents or employees.

Exhibitor agrees to maintain such insurance that will fully protect NPRA and The Woodlands Hotel from any claims of any nature, including claims under the Workmen's Compensation Act, and for damages for personal injury, including death, which may arise in connection with the presence and/or operation of participant's display. In the event the exhibitor damages the building, or any part thereof, he agrees to reimburse the owner of the building for the cost of repairing such damages to said building, or any part thereof, directly or indirectly.

NPRA will not be liable for failure to hold the conference as scheduled. Payments for booth space will be returned in that event, less the exhibitor's pro-rata share of all costs and expenses incurred and committed by the NPRA.

The exhibitor hereby consents to the jurisdiction of the courts of the District of Columbia with respect to any right of action arising under this contract.

Admission

NPRA will have sole control over admission of all persons. All persons visiting the exhibits will be admitted according to the rules and regulations of the conference as issued or amended by the authorized representative of NPRA. Those individuals with exhibitor badges may enter the Exhibit Hall one hour before show open times.

No one under the age of 18 years of age will be allowed admission to the Exhibit Hall at any time. Due to the nature of the show and liability issues, no exceptions to this rule will be made under any circumstance!

Sub-Leasing

No exhibitor shall assign, sublet, or share the whole or any part of the booth space allotted without the written approval of NPRA prior to the conference. Contracted companies will be responsible for the activities and actions of everyone working in their booth space, regardless of their affiliation.

Rules and Regulations

Exhibitors will abide by all other provisions of said rules and regulations and with fire regulations and all other regulations of governmental agencies and The Woodlands Waterway Marriott Hotel,

Objectionable Material and Activities

NPRA reserves the right to require modification of any exhibit it deems questionable for any reason. Raffles, drawings, fishbowls, contests or similar activities are not permitted (see Booth Conduct and Activities on next page).

Exhibit Rules and Regulations (cont.)

Booth Configuration

Specific height restrictions exist for all booths. To promote fairness and avoid growing competition for height and visibility, there will be no exception to these rules.

For 10'x10' and 10'x20' Booths:

- Within the area 5' forward from the rear of each booth, display material may be placed up to a height of 8' from the building floor, including the company sign. In any portion of the booth beyond 5' from the rear of the booth, all parts of the exhibit shall not exceed a height of 4' from the building floor and/or shall not impede the sight line of adjacent booths. Likewise, within the area 8' to 10' from the rear of the booth, display material may not be less than 2' from the building floor.

For All Booths:

- No signs or other articles may be affixed, nailed, or otherwise attached to walls, doors, painted surfaces etc. Likewise, no attachments may be made to the floor or ceiling by nails, screws, or any other device.
- Exposed unfinished areas of the exhibit must be draped or carpeted to present an overall attractive appearance. If this is not done, Freeman Decorating Company will be instructed by NPRA to take necessary measures to correct the exposed area, at the exhibitor's expense.
- Booths must be kept clean during open show hours. NPRA reserves the right to order cleaning services, at the exhibitor's expense, for a booth out of compliance with this rule.
- Exhibits not conforming to these specifications, or which are objectionable in design, operation, or otherwise in the opinion of NPRA will be prohibited.

Lighting, Noise, Audio Visual

- NPRA reserves the right to restrict the use of glaring or irregular lighting effects. The use of signs or lighting involving the use of neon or similar gases, and flashing electrical signs or lighting are not permitted.
- NPRA reserves the right to restrict the use of demonstration equipment that produces a noise level objectionable to NPRA, attendees, or neighboring exhibitors. The use of audio-visual equipment will be permitted, subject to written approval by NPRA.
- Monitors for video presentations or any other visual systems must be placed within the rear 5 feet of the booth.
- Both audio and visual equipment must not infringe on neighboring exhibits in any way.
- Live music is not permitted in the Exhibit Hall at any time. Each exhibitor is entirely responsible for obtaining appropriate licenses for its performances of any recorded music, and assumes all liability therefore.

Booth Conduct and Activities

- Displays and activities should be directly related to the products and services provided by the exhibitor in the regular course of business.
- Booth personnel must be limited to employees of the exhibitor or its affiliates. Exhibitors are not permitted to use celebrities, models, caricaturists or entertainers.
- Raffles, drawings, contests, or similar activities of any kind, regardless of the intended purpose or winnings, are not permitted and no exceptions will be made. Therefore, no fishbowls are permitted in the booths.
 - Give-Aways are permitted only when the item is of minimal value, available to all attendees, and not related to any type of raffle, drawing or contest.
 - Distribution of any open food item is not permitted.
 - Sales are not to be made nor orders placed at any of the exhibit facilities.

- Exhibitors must confine their activities to the space for which they have contracted, and may not distribute samples or souvenirs except from their booths.
- Exhibiting companies may not sublet space to another company, nor reassign the whole or any part of assigned space.
- No exhibitor display items may extend into the aisles.
- The exhibitor shall be responsible for the safety of all individuals participating in or viewing their display or demonstrations. Booth display items positioned so as to create a possible safety hazard anywhere in the booth must be moved. NPRA assumes no responsibility for monitoring such activity, but instead reserves the right to order modifications or additional safety precautions if any such display activity appears unsafe. The exhibitor agrees to make such modifications or to discontinue its demonstration.
- No live animals are permitted in the Exhibit Hall.
- Smoking is not permitted in the Exhibit Hall.
- Exhibitors will not be permitted to behave in a manner that is, in the sole discretion of NPRA, objectionable. Any questions of propriety should be cleared in writing with NPRA.

Booth Decor/Contents

NPRA shall have full discretion and authority in the suitability, placing, arrangement, and appearance of all items to be displayed within the Exhibition by all exhibitors. NPRA may require the omission, replacing, rearrangement, or redecorating of any item or of any booth, and no liability shall attach to NPRA for costs that may evolve upon an exhibitor from these actions.

Enforcement of Rules and Regulations

Any violation of NPRA rules will be addressed as follows: When possible, a warning or compliance notice will be issued so that the exhibiting company can correct a violation. Any exhibiting company failing to take corrective action in response to a warning or notice of violation issued by NPRA or its contractor, The Freeman Companies, will be subject to penalties, including but not limited to a penalty fee, exclusion from the current year's exhibition, deduction of points in the booth assignment process for the following year, and/or exclusion from future exhibitions.

Entertainment Policy

The Association policy on activities held in conjunction with any NPRA meeting is as follows:

- Meetings or social activities should not be scheduled that take registrants away from NPRA programs and NPRA-sponsored activities.
- Companies are asked to restrict entertainment outside hospitality suites to activities that do not include expensive or elaborate entertainment.
- Any company sponsoring a function to which 50 or more people are invited should outline its plans for advance approval by NPRA. In general, such functions will be approved if they do not take registrants away from NPRA-sponsored activities.
- All representatives of companies sponsoring hospitality activities are expected to register for the meeting; Hospitality suites shall be operated only by exhibitors.
- Hospitality suites are expected to close by 1:00 a.m.
- Food, beverage and service personnel (bartenders, hostesses, etc.) should be obtained through the hotel catering department.
- Suite promotional activities are to avoid the use of elaborate entertainment, expensive door prizes, suite attendance solicitation by individuals who are not full-time employees of the sponsoring company, or other similar activities.
