

San Antonio

33rd NPRA International Petrochemical Conference

Henry B. Gonzalez
Convention Center
March 30 – April 1, 2008

NPRA

Program Highlights

March 30 – April 1, 2008

Save these dates for the 2008 NPRA International Petrochemical Conference in San Antonio, the largest annual networking opportunity for petrochemical professionals world-wide.

Member registration opens November 1, 2007 at www.npra.org.
General registration opens December 1, 2007.

Meet just a couple of the world-class speakers who will share their insights with you at IPC08.

Peter D. Hart

“One of the top analysts of public opinion in the U.S.”

Dr. Frank L. Luntz

“Most quoted pollster in America”

These highly sought after and well respected experts will share their views on the 2008 U.S. Presidential election.

Visit the IPC website for program updates.
